As a form of concern for the environment and society, on Wednesday PT Green Power Group Tbk, November 6, 2024 held a Social Service event in the form of distributing basic necessities to the surrounding community. This Social Service event was held at the Company's office located in Bekasi.

The opening ceremony was attended by 20 representatives of local residents, which was then continued with a speech from Mr. William Ong as the Company's President Director. Mr. William expressed his hope that this Social Service activity could benefit local residents.

"This basic necessities distribution activity is our company's CSR activity as a form of concern and responsibility in the Company's environment, this Social Service involved residents around the Company. The hope for the future is that the management of PT Green Power Group Tbk can commit to implementing CSR programs in various forms of activities, so that through this CSR program it can improve good relations between the company and the community in the surrounding area of the company," said Mr. William.

The event was then continued with remarks from 3 representatives from the residents surroundings, consisting of RT, RW, and Head of Hamlet. They expressed their gratitude for holding this Community Service activity because many residents would be helped.

The event was then continued with the main agenda, which is the distribution of basic necessities. There were at least 150 residents who participated and received basic necessities assistance, including rice, coffee, granulated sugar, cooking oil, and instant noodles. The event was closed with a group photo between residents and Mr. William.

"I am happy with the distribution of free basic necessities today, thank you Green Power Group," said one resident when interviewed.
